PARTICIPATION OPTIONS

- I would like to receive information on Sponsorships, Matching Gifts, or Corporate Gifts.
- I would like to actively participate as a volunteer for one of Impact 100 PBC's committees. Please see the reverse side of this form for more information on the committees and to select your area of interest.

Impact 100 PBC Committee Descriptions

Volunteer Opportunities

Please indicate your areas of interest by checking the boxes below.

Grant Review

Through an online process, grant reviewers read and thoughtfully review, score and rank the initial grant applications from the interested nonprofits. Each team meets to discuss which nonprofits will advance to full grant application and a site visit. Volunteers will be offered training and instruction on the complete grant process. Meetings and committee activities run from September through March. **Volunteers must be paid Impact members by September 1, 2023 to serve on the 2023-2024 Grant Review Committee.**

Grant Management

This committee works with current Grant Recipients to ensure the terms of their contracts are being met. This committee also serves as the liaison between Impact and all current and past Grant Recipients for updates on their programs. **Members of this committee should have previously served on the Grant Review Committee.**

Membership

The role of this committee is to help grow our membership. Main tasks are helping with the recruitment of new members and retention of current members. Committee members engage with new and former members as well as help mentor new members. They also assist in planning membership gatherings with volunteer hostesses. If this is your area of interest, we encourage you to sign up immediately upon joining. While a hostess's list of potential new members is helpful, her willingness to sponsor an event for members and potential members is also greatly appreciated.

Communications

Strong communications are critical for allowing Impact 100 PBC to engage our members and nonprofit applicants. These channels include reports to our members and the community about the achievements of our Grant Recipients, invitations, newsletters, announcements, and social media posts. Media skills and writing experience are helpful. **This committee operates year-round.**

Grand Awards & Special Events

Impact 100 PBC hosts several events that require extensive planning and execution. For example, these events include: the Fall Kickoff event, Semi Finalists Announcement, Finalists Announcement, and the Grand Awards Celebration. Organizational skills and special event creativity are needed.

Other Committees and Volunteer Opportunities

There are additional committees and volunteer opportunities available that may be of interest to you. For a thorough explanation of those opportunities, please contact Impact's Volunteer Coordinator, Ellen Elam, by email at ellenelam3@gmail.com.

Thank you your for interest in serving on a committee!
